

Clinix Healthcare is nationally accredited to provide **Independent Medical Reviews**

ABOUT CLINIX HEALTHCARE

We are a full-service, accredited healthcare management company. Our responsiveness, clinical and managed care skills simplify the most complex benefits administration.

APEX The Clinix APEX Clinical Portal simplifies clinical data exchange and management for your staff. With secure features like 24/7 Internet access, multiple user accounts, case review submission and real-time case information and reporting.

We are among just a few healthcare management companies in the United States to achieve accreditation for Utilization Review and Independent Review Organization: External Review from the American Accreditation Healthcare Commission/URAC.

This accreditation allows us to conduct independent reviews to provide a fair and impartial determination of a patient's medical necessity for healthcare services.

Clinix is certified by individual states to conduct these independent reviews. The process is available if state law requires your health plan to participate, or your plan voluntarily participates.

We are licensed in all states where it is required for a private agent performing utilization review services.
